[Approved by Governor June 27, 2016. Filed with
Secretary of State June 27, 2016.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1603, Committee on Budget. Public social services omnibus.

(1) Existing federal law, the Immigration and Nationality Act, establishes a procedure for classification of certain aliens as special immigrants who have been declared dependent on a juvenile court and authorizes those aliens to apply for an adjustment of status to that of a lawful permanent resident within the United States. Under federal regulations, an alien is eligible for special immigrant juvenile status if, among other things, he or she is under 21 years of age. Existing state law provides that the juvenile, probate, and family divisions of the superior court have jurisdiction to make judicial determinations regarding the custody and care of children within the meaning of the federal Immigration and Nationality Act.

This bill would clarify that the court has jurisdiction to make the factual findings necessary to enable a child to petition the United States Citizenship and Immigration Services for classification as a special immigrant juvenile. The bill would also provide that the factual findings may be made at any point in a proceeding, as specified, if certain requirements are met.

(2) Existing law requires the court, upon request, to make the necessary findings regarding special immigrant juvenile status if there is evidence to support those findings, which may consist of, but is not limited to, a declaration by the child who is the subject of the petition. Existing law also authorizes the court to make additional findings that are supported by evidence if requested by a party.

This bill would specify that the evidence to support those findings may consist solely of, but is not limited to, the above declaration. The bill would also authorize the court to make the additional findings only if requested

by a party. The bill would provide that the asserted, purported, or perceived motivation of the child seeking classification as a special immigrant juvenile is not admissible in making findings and would prohibit the court from including or referencing the motivation of the child, as specified, in the court's findings.

(3) Existing law establishes the California Work Opportunity and Responsibility to Kids (CalWORKs) program, under which each county provides cash assistance and other benefits to qualified low-income families using federal, state, and county funds. Existing law requires a recipient of CalWORKs to participate in welfare-to-work activities as a condition of eligibility. Under existing law, a recipient of CalWORKs aid is required to assign to the county any rights to child support for a family member for whom the recipient is receiving aid, as specified. Existing law also requires the first \$50 of any amount of child support collected in a month to be paid to a recipient of CalWORKs aid.

Existing law also establishes the Aid to Families with Dependent Children-Foster Care (AFDC-FC) program, under which counties provide payments to foster care providers on behalf of qualified children in foster care. Under existing law, a child who is placed in the home of a relative is eligible for AFDC-FC only if he or she is eligible for federal financial participation in the AFDC-FC payment.

Existing law establishes the Approved Relative Caregiver Funding Option Program, in counties that choose to participate, for the purpose of making the amount paid to relative caregivers for the in-home care of children placed with them who are ineligible for AFDC-FC payments equal to the amount paid on behalf of children who are eligible for AFDC-FC payments. Under existing law, a child who is eligible for the Approved Relative Caregiver Funding Option Program is not subject to the requirements of CalWORKs, except as specified.

This bill would specify that the above-described CalWORKs requirements relating to the assignment of child support apply to assistance units participating in the Approved Relative Caregiver Funding Option Program. The bill would state that these provisions are intended to clarify existing law.

(4) Existing law requires a county that has opted into the Approved Relative Caregiver Funding Option Program to pay an approved relative caregiver a per child per month rate that is equal to the basic rate paid to foster care providers and that is funded, in part, through the CalWORKs program.

This bill, commencing January 1, 2017, would generally require a child who has been placed in the home of a relative who has been approved as a resource family to receive a grant that equals the resource family basic rate at the child's assessed level of care, as specified. By requiring counties to increase grants to children who are placed in the home of a relative who has been approved as a resource family, this bill would impose a state-mandated local program.

(5) Existing law requires that, in order to be eligible for AFDC-FC, a child be placed in one of several specified placements, including the approved home of a resource family, and provides that a child placed with a resource family is eligible for AFDC-FC payments.

This bill, commencing January 1, 2017, would instead provide that a child placed in the approved home of a resource family is eligible for AFDC-FC if the caregiver is a nonrelative or the caregiver is a relative and the child or youth is otherwise eligible for federal financial participation in the AFDC-FC payment. The bill would also specify that a child placed with a resource family is eligible for the resource family basic rate.

(6) Existing law authorizes the Director of Social Services to enter into an agreement with a tribe, consortium of tribes, or tribal organization, regarding the care and custody of Indian children and jurisdiction over Indian child custody proceedings, under specified circumstances. Existing law requires these agreements to provide for the delegation to the tribe, consortium of tribes, or tribal organization, of the responsibility that would otherwise be the responsibility of the county for the provision of child welfare services or assistance payments under the AFDC-FC program, or both. Existing law requires the State Department of Social Services to annually allocate appropriated funds to each federally recognized American Indian tribe with reservation lands or rancherias in the state that administers a federal tribal Temporary Assistance for Needy Families (TANF) program.

This bill would establish the Tribal Approved Relative Caregiver Funding Option Program and would require participating tribes that opt to participate in the program to pay an approved relative caregiver a per child per month rate, as specified, in return for the care and supervision of an AFDC-FC ineligible child placed with the approved relative caregiver if the participating tribe has notified the department of its decision to participate in the program, as specified, and certain requirements are met, including that the child resides in California. The bill would require the department, in consultation with the participating tribe, to determine the initial base caseload of the tribe and to determine the amount necessary to fund the base caseload.

(7) Existing law requires, when a child is living with a parent who receives AFDC-FC or Kin-GAP benefits, that the rate paid to the foster care provider on behalf of the parent include an additional amount, known as an infant supplement, for the care and supervision of the child. Existing law requires the State Department of Social Services to adopt a uniform rate for the infant supplement for each category of eligible licensed community care facility.

This bill, commencing July 1, 2016, would require the infant supplement rate to be increased by \$489 per month, if funding for this purpose is appropriated in the annual Budget Act.

(8) Existing law requires the State Department of Social Services to administer a voluntary Temporary Assistance Program (TAP) to provide cash assistance and other benefits to specified current and future CalWORKs recipients who meet the exemption criteria for participation in

welfare-to-work activities and are not single parents who have a child under one year of age. Existing law requires the TAP to commence no later than October 1, 2016.

This bill would make that provision inoperative on June 30, 2016.

(9) Existing law requires, for counties that implement a welfare-to-work plan that includes subsidized private sector or public sector employment activities, the State Department of Social Services to pay the county 50%, less \$113, of the total wage costs of an employee for whom a wage subsidy is paid, subject to specified conditions.

This bill would make that provision inoperative on July 1, 2016, and would repeal that provision on January 1, 2017. The bill would make related changes.

(10) Existing law requires the department to develop an allocation methodology to distribute additional funding for expanded subsidized employment programs for CalWORKs recipients.

This bill would require, on and after July 1, 2016, a county that accepts additional funding for expanded subsidized employment in accordance with that provision to continue to expend no less than the aggregate amount of specified funding received by the county that the county expended on subsidized employment in the 2012–13 fiscal year, except as specified.

(11) Existing law requires a recipient of CalWORKs to participate for a specified number of hours each week in welfare-to-work activities as a condition of eligibility.

The federal Workforce Innovation and Opportunity Act of 2014 provides for workforce investment activities, including activities in which states may participate. Existing federal law requires the local chief elected officials in a local workforce development area to form, pursuant to specified guidelines, a local workforce development board to, among other things, plan and oversee the workforce development system and lead efforts in the local area to develop and implement career pathways within the local area.

This bill would deem a recipient who is making satisfactory progress in a career pathway program established in accordance with the federal Workforce Innovation and Opportunity Act to be in compliance with the hourly participation requirements of the CalWORKs program under specified conditions. By increasing the duties of counties administering the CalWORKs program, the bill would impose a state-mandated local program.

(12) As part of the CalWORKs program, existing law provides that a homeless family that has used all available liquid resources in excess of \$100 may be eligible for homeless assistance benefits to pay the costs of temporary shelter. The CalWORKs program also provides permanent housing assistance to pay rent or a security deposit, as specified, in order to secure housing for the family or prevent eviction.

Under existing law, eligibility for temporary shelter assistance is limited to one period of up to 16 consecutive days of temporary assistance in a lifetime, and eligibility for permanent housing assistance is limited to one payment of assistance, subject to specified exceptions. Existing law provides that a family that includes a parent or nonparent caretaker relative living in

the home who has previously received temporary or permanent homeless assistance at any time on behalf of an eligible child is not eligible for further homeless assistance.

This bill, commencing January 1, 2017, would expand the provision of temporary shelter assistance and permanent housing assistance to be available every 12 months. The bill would make conforming changes regarding an applicant for homeless assistance benefits being informed of the availability of the benefits every 12 months. The bill would delete the above limitation on a family's eligibility for homeless assistance. Because this bill would increase the administrative duties of counties, it would impose a state-mandated local program.

(13) Existing law, referred to as the maximum family grant rule, prohibits the number of needy persons in the same family from being increased, for purposes of determining a family's maximum aid payment, for any child born into a family that has received aid under the CalWORKs program continuously for the 10 months prior to the birth of the child, with specified exceptions.

This bill would repeal the maximum family grant rule on January 1, 2017.

(14) Existing law establishes maximum aid grant amounts to be provided to each family receiving aid under CalWORKs. Existing law increases the maximum aid payments by 5% commencing March 1, 2014, and by an additional 5% commencing April 1, 2015. Existing law specifies a process by which increases may be made to the maximum aid payments depending on projections of revenue and costs by the Department of Finance.

This bill would, effective October 1, 2016, increase the maximum aid grant amounts by an additional 1.43%. The bill would also, effective January 1, 2017, require households eligible for CalWORKs aid to receive an increased aid payment consistent with the repeal of the maximum family grant rule and would require those costs to be paid from moneys deposited into the Child Poverty and Family Supplemental Support Subaccount. To the extent that this bill affects eligibility under the CalWORKs program, the bill would impose a state-mandated local program.

(15) Existing law establishes the county-administered In-Home Supportive Services (IHSS) program, under which qualified aged, blind, and disabled persons are provided with services in order to permit them to remain in their own homes and avoid institutionalization. Existing law provides, as part of the Coordinated Care Initiative, that IHSS is a Medi-Cal benefit available through managed care health plans in specified counties. Existing law provides for a 7% reduction in authorized hours of service to each IHSS recipient, as specified.

Existing law, commencing July 1, 2016, until July 1, 2019, establishes a managed care organization provider tax, to be administered by the State Department of Health Care Services, as specified, subject to approval from the federal Centers for Medicare and Medicaid Services, as specified.

This bill would suspend the 7% reduction in hours of service to each IHSS recipient until July 1, 2019, if the managed care organization provider tax remains operative. The bill would require the reduction to be reinstated

by a specified date if the managed care organization provider tax ceases to be operative for any reason. By increasing the administrative duties of counties under the IHSS program, this bill would impose a state-mandated local program.

(16) Existing law requires the State Department of Social Services to implement a single statewide Child Welfare Services Case Management System (CWS/CMS) to administer and evaluate the state's child welfare services and foster care programs.

This bill would require the State Department of Social Services and the Office of Systems Integration (OSI), in collaboration with the County Welfare Directors Association (CWDA), to seek resources to enable the necessary level of engagement by the counties in the Child Welfare Services-New System (CWS-NS), as specified. The bill would require the department and OSI to provide a voting seat on all governance bodies of the CWS-NS for a CWDA representative. The bill would also require the department and OSI to continue to provide monthly updates to the Legislature and to stakeholders, including CWDA, regarding efforts to develop and implement the CWS-NS. The bill would also require CWS/CMS operations and functionality to be maintained at a level at least commensurate with its December 2015 status, as specified. The bill would make related findings and declarations.

(17) Existing law establishes a system of statewide child welfare services, administered by the State Department of Social Services and county child welfare agencies, with the intent that all children are entitled to be safe and free from abuse and neglect.

This bill would establish the Bringing Families Home Program, and would, to the extent funds are appropriated in the annual Budget Act, require the State Department of Social Services to award program funds to counties for the purpose of providing housing-related supports to eligible families experiencing homelessness if specified criteria are met. The bill would require the department to award program funds to counties according to criteria developed by the department, in consultation with specified entities, subject to a requirement that a county that receives funds under the program provide matching funds for these purposes, as specified.

(18) Existing federal law provides for the Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Existing law requires the State Department of Social Services to redetermine recipient eligibility and grant amounts under CalFresh on a semiannual basis, as specified. Existing law states the intent of the Legislature to assign certification periods for CalFresh households that are the maximum number of months allowed under federal law based on the household's circumstances, subject to a specified exception.

This bill would instead require the assignment of certification periods in the above-described manner, as specified, and would provide an additional exception, on a case-by-case basis only, for a household's individual

circumstances requiring a shorter certification period. Because this bill would increase the administrative duties of counties, it would impose a state-mandated local program.

(19) Existing law, the State Department of Health Services Cooperative Agreement Act, provides for the establishment of cooperative agreements between the State Department of Public Health and other public and private entities for the purposes of, among other things, simplifying the administration of public health programs by the department. The act requires cooperative agreements to be subject to review and approval by the Department of General Services with certain exceptions.

This bill would deem an agreement between the State Department of Social Services and a unit of local government, any other unit of state government, or a nonprofit organization that provides for a contract relating to outreach programs related to CalFresh and the Supplemental Nutrition Assistance Program: Nutrition Education and Obesity Prevention Grant Program to be a “cooperative agreement,” as defined. The bill would specify that these changes apply retroactively.

(20) Existing federal law establishes various disability benefits programs, including the Supplemental Security Income (SSI) program, under which cash assistance is provided to qualified low-income aged, blind, and disabled persons, and the Social Security Disability Insurance (SSDI) program, under which benefits are provided to persons with disabilities who have paid social security taxes. Existing federal law also provides for disability compensation for veterans under specified circumstances.

Existing state law provides for disability benefits programs, including the State Supplementary Program for the Aged, Blind, and Disabled (SSP), under which state funds are provided in supplementation of federal SSI benefits, and the Cash Assistance Program for Immigrants, which provides benefits to aged, blind, and disabled legal immigrants who meet specified criteria. Existing law also establishes various housing programs directed by the Department of Housing and Community Development, including special housing programs to provide housing assistance for persons with developmental and physical disabilities and persons with mental health disorders.

This bill would establish the Housing and Disability Income Advocacy Program under the administration of the State Department of Social Services, subject to an appropriation of funds in the annual Budget Act. The program would provide state grant funds to participating counties for the provision of outreach, case management, and advocacy services to assist clients who are homeless or at risk of becoming homeless to obtain disability benefits. The bill would require participating counties to provide housing assistance to these clients during their application periods for disability benefits programs, as specified. The bill would also require participating counties to annually report to the department regarding their funding of advocacy and outreach programs and use of state funding provided under the program, as specified. The bill would require the department to periodically inform the Legislature of the implementation progress of the program, to make

related data available on the department's Internet Web site, and to report to the Legislature by October 1, 2018, regarding the implementation of the program, as specified.

(21) Under existing law, benefit payments under SSP are calculated by establishing the maximum level of nonexempt income and federal SSI and state SSP benefits for each category of eligible recipient. The state SSP payment is the amount required, when added to the nonexempt income and SSI benefits available to the recipient, to provide the maximum benefit payment. Existing law prohibits, for each calendar year, commencing with the 2011 calendar year, any cost-of-living adjustment from being made to the maximum benefit payment unless otherwise specified by statute, except for the pass along of any cost-of-living increase in the federal SSI benefits. Existing law continuously appropriates funds for the implementation of SSP.

This bill, commencing January 1, 2017, would increase the amount of aid paid under SSP that is in effect on December 31, 2016, less the federal benefit portion received, by 2.76%. The bill would instead provide that the continuous appropriation would not be made for purposes of implementing these provisions.

(22) Existing law requires the State Department of Social Services and the State Department of Health Care Services to carry out specified duties relating the administration of foster care services.

The bill would require the State Department of Social Services and the State Department of Health Care Services, during the 2017 and 2018 legislative budget hearings, to update the legislative budget committees on activities taken by the departments to implement specified reform measures relating to foster care. The bill would also require the State Department of Social Services to convene stakeholders, including county placing agencies, providers, foster youth, and legislative staff, commencing no later than July 1, 2016, to discuss the adequacy of the proposed foster care rates and rate structure and the extent to which the rates will achieve the desired outcomes for those reform measures, to report to legislative budget committees, and to provide updated project costs, as specified.

(23) The bill would authorize the State Department of Social Services to adopt emergency regulations implementing specified provisions of the bill.

(24) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

(25) Existing federal law provides for the allocation of federal funds through the federal TANF block grant program to eligible states. The state

CalWORKs program is funded through a combination of federal funds received through the federal TANF block grant program and state and county funds. Existing law continuously appropriates moneys from the General Fund to defray a portion of county costs under the CalWORKs program.

By expanding eligibility for, increasing assistance payments to recipients of, and adjusting funding formulas for counties providing benefits under, the CalWORKs program, and by providing funding for the Tribal Approved Relative Caregiver Funding Option Program, which is also funded by TANF, the bill would make an appropriation.

(26) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 155 of the Code of Civil Procedure is amended to read:

155. (a) (1) A superior court has jurisdiction under California law to make judicial determinations regarding the custody and care of children within the meaning of the federal Immigration and Nationality Act (8 U.S.C. Sec. 1101 et seq. and 8 C.F.R. Sec. 204.11), which includes, but is not limited to, the juvenile, probate, and family court divisions of the superior court. These courts have jurisdiction to make the factual findings necessary to enable a child to petition the United States Citizenship and Immigration Services for classification as a special immigrant juvenile pursuant to Section 1101(a)(27)(J) of Title 8 of the United States Code.

(2) The factual findings set forth in paragraph (1) of subdivision (b) may be made at any point in a proceeding regardless of the division of the superior court or type of proceeding if the prerequisites of that subdivision are met.

(b) (1) If an order is requested from the superior court making the necessary findings regarding special immigrant juvenile status pursuant to Section 1101(a)(27)(J) of Title 8 of the United States Code, and there is evidence to support those findings, which may consist solely of, but is not limited to, a declaration by the child who is the subject of the petition, the court shall issue the order, which shall include all of the following findings:

(A) The child was either of the following:

(i) Declared a dependent of the court.

(ii) Legally committed to, or placed under the custody of, a state agency or department, or an individual or entity appointed by the court. The court shall indicate the date on which the dependency, commitment, or custody was ordered.

(B) That reunification of the child with one or both of the child's parents was determined not to be viable because of abuse, neglect, abandonment, or a similar basis pursuant to California law. The court shall indicate the date on which reunification was determined not to be viable.

(C) That it is not in the best interest of the child to be returned to the child's, or his or her parent's, previous country of nationality or country of last habitual residence.

(2) The superior court may make additional findings under this section that are supported by evidence only if requested by a party. The asserted, purported, or perceived motivation of the child seeking classification as a special immigrant juvenile shall not be admissible in making the findings under this section. The court shall not include nor reference the asserted, purported, or perceived motivation of the child seeking classification as a special immigrant juvenile in the court's findings under this section.

(c) In any judicial proceedings in response to a request that the superior court make the findings necessary to support a petition for classification as a special immigrant juvenile, information regarding the child's immigration status that is not otherwise protected by state confidentiality laws shall remain confidential and shall be available for inspection only by the court, the child who is the subject of the proceeding, the parties, the attorneys for the parties, the child's counsel, and the child's guardian.

(d) In any judicial proceedings in response to a request that the superior court make the findings necessary to support a petition for classification as a special immigrant juvenile, records of the proceedings that are not otherwise protected by state confidentiality laws may be sealed using the procedure set forth in California Rules of Court 2.550 and 2.551.

(e) The Judicial Council shall adopt any rules and forms needed to implement this section.

SEC. 2. Section 11253.4 of the Welfare and Institutions Code is amended to read:

11253.4. (a) (1) On and after January 1, 2015, a child eligible for the Approved Relative Caregiver Funding Option Program in accordance with Section 11461.3 is not subject to the provisions of this chapter relating to CalWORKs, including, but not limited to, the provisions that relate to CalWORKs eligibility, welfare-to-work, time limits, or grant computation.

(2) All of the following shall apply to a child specified in paragraph (1):

(A) He or she shall receive the applicable regional CalWORKs grant for recipient in an assistance unit of one, pursuant to the exempt maximum aid payment set forth in Section 11450, and any changes to the CalWORKs grant amount shall apply to the grant described in this subparagraph.

(B) Notwithstanding any other law, the CalWORKs grant of the child shall be paid by the county with payment responsibility as described in subdivision (b) of Section 11461.3, rather than the county of residence of the child, unless the child resides in the county with payment responsibility.

(C) For an assistance unit described in subparagraph (A), eligibility shall be determined in accordance with paragraph (3) of subdivision (a) of Section 672 of Title 42 of the United States Code and state law implementing those requirements for the purposes of Article 5 (commencing with Section 11400).

(D) (i) Article 7 (commencing with Section 11475.2), as modified by subdivisions (j) and (k) of Section 11461.3, shall apply to an assistance unit described in subparagraph (A).

(ii) This subparagraph is intended by the Legislature to clarify existing law.

(b) (1) Except as provided in paragraph (2), a person who is an approved relative caregiver with whom a child eligible in accordance with Section 11461.3 is placed shall be exempt from Chapter 4.6 (commencing with Section 10830) of Part 2 governing the statewide fingerprint imaging system.

(2) An approved relative caregiver who is also an applicant for or a recipient of benefits under this chapter shall comply with the statewide fingerprint imaging system requirements.

(c) Notwithstanding Sections 11004 and 11004.1 or any other law, overpayments to an assistance unit described in subparagraph (A) of paragraph (2) of subdivision (a) shall be collected in accordance with subdivision (d) of Section 11461.3.

(d) If an approved relative caregiver with whom a child eligible in accordance with Section 11461.3 is placed is also an applicant for or a recipient of benefits under this chapter, all of the following shall apply:

(1) The applicant or recipient and each eligible child, excluding any child eligible in accordance with Section 11461.3, shall receive aid in an assistance unit separate from the assistance unit described in subparagraph (A) of paragraph (2) of subdivision (a), and the CalWORKs grant of the assistance unit shall be paid by the county of residence of the assistance unit.

(2) For purposes of calculating the grant of the assistance unit, the number of eligible needy persons on which the grant is based pursuant to paragraph (1) of subdivision (a) of Section 11450 shall not include any child eligible in accordance with Section 11461.3.

(3) For purposes of calculating minimum basic standards of adequate care for the assistance unit, any child eligible in accordance with Section 11461.3 shall be included as an eligible needy person in the same family pursuant to paragraph (2) of subdivision (a) of Section 11452.

(e) This section shall apply retroactively to a child eligible for the Approved Relative Caregiver Funding Option Program and his or her approved relative caregiver as of January 1, 2015.

SEC. 3. Section 11253.45 is added to the Welfare and Institutions Code, immediately following Section 11253.4, to read:

11253.45. (a) (1) A child to whom Section 309, 361.45, or 16519.5 applies, and who is placed in the home of a relative who has been approved as a resource family pursuant to Section 16519.5, shall receive a grant that equals the resource family basic rate at the child's assessed level of care, as set forth in subdivision (g) of Section 11461 and Section 11463. If the child is determined eligible for aid, the total grant shall be comprised of the CalWORKs grant plus an amount that, when combined with the CalWORKs grant, equals the resource family basic rate at the child's assessed level of care.

(2) The non-CalWORKs portion of the grant provided in paragraph (1) shall be paid from funds separate from funds appropriated in the annual Budget Act and counties' share of costs for the CalWORKs program.

(3) A child specified in paragraph (1) is not subject to the provisions of this chapter relating to CalWORKs, including, but not limited to, the provisions that relate to CalWORKs eligibility, welfare to work, child support enforcement, time limits, or grant computation.

(4) All of the following shall apply to a child specified in paragraph (1):

(A) He or she shall receive the applicable regional CalWORKs grant for a recipient in an assistance unit of one, pursuant to the exempt maximum aid payment set forth in Section 11450, and any changes to the CalWORKs grant amount shall apply to the grant described in this subparagraph.

(B) Notwithstanding any other law, the CalWORKs grant for the child shall be paid by the county with payment responsibility in accordance with paragraph (1) regardless of the county of residence of the child.

(C) For an assistance unit described in subparagraph (A), eligibility shall be determined in accordance with paragraph (3) of subdivision (a) of Section 672 of Title 42 of the United States Code and state law implementing those requirements for the purposes of Article 5 (commencing with Section 11400).

(b) (1) Except as provided in paragraph (2), a person applying for aid on behalf of a child described in paragraph (1) of subdivision (a), shall be exempt from Chapter 4.6 (commencing with Section 10830) of Part 2 governing the statewide fingerprint imaging system.

(2) A relative who is also an applicant for or a recipient of benefits under this chapter shall comply with the statewide fingerprint imaging system requirements.

(c) Notwithstanding Sections 11004 and 11004.1 or any other law, overpayments to an assistance unit described in subparagraph (A) of paragraph (4) of subdivision (a) shall be collected using the standards and processes for overpayment recoupment as specified in Section 11466.24, and recouped overpayments shall not be subject to remittance to the federal government.

(d) If a relative with whom a child eligible in accordance with this section is placed is also an applicant for, or a recipient of, benefits under this chapter, all of the following shall apply:

(1) The applicant or recipient and each eligible child, excluding any child eligible in accordance with this section, shall receive aid in an assistance unit separate from the assistance unit described in subparagraph (A) of paragraph (4) of subdivision (a), and the CalWORKs grant of the assistance unit shall be paid by the county of residence of the assistance unit.

(2) For purposes of calculating the grant of the assistance unit, the number of eligible needy persons on which the grant is based pursuant to paragraph (1) of subdivision (a) of Section 11450 shall not include any child eligible in accordance with this section.

(3) For purposes of calculating minimum basic standards of adequate care for the assistance unit, any child eligible in accordance with this section shall be included as an eligible needy person in the same family pursuant to paragraph (2) of subdivision (a) of Section 11452.

(e) This section shall apply only to a child under the jurisdiction of a county that has not opted into the Approved Relative Caregiver Funding Option pursuant to Section 11461.3.

(f) This section shall become operative on January 1, 2017.

SEC. 4. Section 11320.15 of the Welfare and Institutions Code is amended to read:

11320.15. (a) After a participant has been removed from the assistance unit under subdivision (a) of Section 11454, additional welfare-to-work services may be provided to the recipient, at the option of the county. If the county provides services to the recipient after the 48-month limit has been reached, the recipient shall participate in community service or subsidized employment, as described in Section 11322.63.

(b) This section shall become inoperative on July 1, 2016, and, as of January 1, 2017, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2017, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 5. Section 11320.15 is added to the Welfare and Institutions Code, to read:

11320.15. (a) After a participant has been removed from the assistance unit under subdivision (a) of Section 11454, additional welfare-to-work services may be provided to the recipient, at the option of the county. If the county provides services to the recipient after the 48-month limit has been reached, the recipient shall participate in community service or subsidized employment, as described in Section 11322.64.

(b) This section shall become operative on July 1, 2016.

SEC. 6. Section 11320.32 of the Welfare and Institutions Code is amended to read:

11320.32. (a) The department shall administer a voluntary Temporary Assistance Program (TAP) for current and future CalWORKs recipients who meet the exemption criteria for work participation activities set forth in Section 11320.3 and are not single parents who have a child under the age of one year. Temporary Assistance Program recipients shall be entitled to the same assistance payments and other benefits as recipients under the CalWORKs program. The purpose of this program is to provide cash assistance and other benefits to eligible families without any federal restrictions or requirements and without any adverse impact on recipients. The Temporary Assistance Program shall commence no later than October 1, 2016.

(b) CalWORKs recipients who meet the exemption criteria for work participation activities set forth in subdivision (b) of Section 11320.3, and are not single parents with a child under one year of age, shall have the option of receiving grant payments, child care, and transportation services from the Temporary Assistance Program. The department shall notify all CalWORKs recipients and applicants meeting the exemption criteria specified in subdivision (b) of Section 11320.3, except for single parents with a child under the age of one year, of their option to receive benefits under the Temporary Assistance Program. Absent written indication that

these recipients or applicants choose not to receive assistance from the Temporary Assistance Program, the department shall enroll CalWORKs recipients and applicants into the program. However, exempt volunteers shall remain in the CalWORKs program unless they affirmatively indicate, in writing, their interest in enrolling in the Temporary Assistance Program. A Temporary Assistance Program recipient who no longer meets the exemption criteria set forth in Section 11320.3 shall be enrolled in the CalWORKs program.

(c) Funding for grant payments, child care, transportation, and eligibility determination activities for families receiving benefits under the Temporary Assistance Program shall be funded with General Fund resources that do not count toward the state's maintenance of effort requirements under clause (i) of subparagraph (B) of paragraph (7) of subdivision (a) of Section 609 of Title 42 of the United States Code, up to the caseload level equivalent to the amount of funding provided for this purpose in the annual Budget Act.

(d) It is the intent of the Legislature that recipients shall have and maintain access to the hardship exemption and the services necessary to begin and increase participation in welfare-to-work activities, regardless of their county of origin, and that the number of recipients exempt under subdivision (b) of Section 11320.3 not significantly increase due to factors other than changes in caseload characteristics. All relevant state law applicable to CalWORKs recipients shall also apply to families funded under this section. This section does not modify the criteria for exemption in Section 11320.3.

(e) To the extent that this section is inconsistent with federal regulations regarding implementation of the Deficit Reduction Act of 2005, the department may amend the funding structure for exempt families to ensure consistency with these regulations, not later than 30 days after providing written notification to the chair of the Joint Legislative Budget Committee and the chairs of the appropriate policy and fiscal committees of the Legislature.

(f) This section shall become inoperative on June 30, 2016.

SEC. 7. Section 11322.63 of the Welfare and Institutions Code is amended to read:

11322.63. (a) For counties that implement a welfare-to-work plan that includes subsidized private sector or public sector employment activities, the State Department of Social Services shall pay the county 50 percent, less one hundred thirteen dollars (\$113), of the total wage costs of an employee for whom a wage subsidy is paid, subject to all of the following conditions:

(1) (A) For participants receiving CalWORKs aid, the maximum state contribution of the total wage cost shall not exceed 100 percent of the computed grant for the assistance unit in the month prior to participation in subsidized employment.

(B) For participants who have received aid in excess of the time limits provided in subdivision (a) of Section 11454, the maximum state contribution of the total wage cost shall not exceed 100 percent of the computed grant

for the assistance unit in the month prior to participation in subsidized employment.

(C) In the case of an individual who participates in subsidized employment as a service provided by a county pursuant to Section 11323.25, the maximum state contribution of the total wage cost shall not exceed 100 percent of the computed grant that the assistance unit received in the month prior to participation in the subsidized employment.

(D) The maximum state contribution, as defined in this paragraph, shall remain in effect until the end of the subsidy period as specified in paragraph (2), including with respect to subsidized employment participants whose wage results in the assistance unit no longer receiving a CalWORKs grant.

(E) State funding provided for total wage costs shall only be used to fund wage and nonwage costs of the county's subsidized employment program.

(2) State participation in the total wage costs pursuant to this section shall be limited to a maximum of six months of wage subsidies for each participant. If the county finds that a longer subsidy period is necessary in order to mutually benefit the employer and the participant, state participation in a subsidized wage may be offered for up to 12 months.

(3) Eligibility for entry into subsidized employment funded under this section shall be limited to individuals who are not otherwise employed at the time of entry into the subsidized job, and who are current CalWORKs recipients, sanctioned individuals, or individuals described in Section 11320.15 who have exceeded the time limits specified in subdivision (a) of Section 11454. A county may continue to provide subsidized employment funded under this section to individuals who become ineligible for CalWORKs benefits in accordance with Section 11323.25.

(b) Upon application for CalWORKs after a participant's subsidized employment ends, if an assistance unit is otherwise eligible within three calendar months of the date that subsidized employment ended, the income exemption requirements contained in Section 11451.5 and the work requirements contained in subdivision (c) of Section 11201 shall apply. If aid is restored after the expiration of that three-month period, the income exemption requirements contained in Section 11450.12 and the work requirements contained in subdivision (b) of Section 11201 shall apply.

(c) The department, in conjunction with representatives of county welfare offices and their directors and the Legislative Analyst's Office, shall assess the cost neutrality of the subsidized employment program pursuant to this section and make recommendations to the Legislature, if necessary, to ensure cost neutrality. The department shall testify regarding the cost neutrality of the subsidized employment program during the 2012–13 fiscal year legislative budget hearings.

(d) No later than January 10, 2013, the State Department of Social Services shall submit a report to the Legislature on the outcomes of implementing this section that shall include, but need not be limited to, all of the following:

(1) The number of CalWORKs recipients that entered subsidized employment.

(2) The number of CalWORKs recipients who found nonsubsidized employment after the subsidy ends.

(3) The earnings of the program participants before and after the subsidy.

(4) The impact of this program on the state's work participation rate.

(e) Payment of the state's share in total wage costs required by this section shall be made in addition to, and independent of, the county allocations made pursuant to Section 15204.2.

(f) (1) A county that accepts additional funding for expanded subsidized employment for CalWORKs recipients in accordance with Section 11322.64 shall continue to expend no less than the aggregate amount of funding received by the county pursuant to Section 15204.2 that the county expended on subsidized employment pursuant to this section in the 2012–13 fiscal year.

(2) This subdivision shall not apply for any fiscal year in which the total CalWORKs caseload is projected by the department to increase more than 5 percent of the total actual CalWORKs caseload in the 2012–13 fiscal year.

(g) For purposes of this section, "total wage costs" include the actual wage paid directly to the participant that is allowable under the Temporary Assistance for Needy Families program.

(h) This section shall become inoperative on July 1, 2016, and, as of January 1, 2017, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2017, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 8. Section 11322.64 of the Welfare and Institutions Code is amended to read:

11322.64. (a) (1) The department, in consultation with the County Welfare Directors Association of California, shall develop an allocation methodology to distribute additional funding for expanded subsidized employment programs for CalWORKs recipients.

(2) Funds allocated pursuant to this section may be utilized to cover all expenditures related to the operational costs of the expanded subsidized employment program, including the cost of overseeing the program, developing work sites, and providing training to participants, as well as wage and nonwage costs.

(3) The department, in consultation with the County Welfare Directors Association of California, shall determine the amount or proportion of funding allocated pursuant to this section that may be utilized for operational costs, consistent with the number of employment slots anticipated to be created and the funding provided.

(b) Funds allocated for expanded subsidized employment shall be in addition to, and independent of, the county allocations made pursuant to Section 15204.2 and shall not be used by a county to fund subsidized employment pursuant to Section 11322.63.

(d) (1) Participation in subsidized employment pursuant to this section shall be limited to a maximum of six months for each participant.

(2) Notwithstanding paragraph (1), a county may extend participation beyond the six-month limitation described in paragraph (1) for up to an additional three months at a time, to a maximum of no more than 12 total months. Extensions may be granted pursuant to this paragraph if the county determines that the additional time will increase the likelihood of either of the following:

(A) The participant obtaining unsubsidized employment with the participating employer.

(B) The participant obtaining specific skills and experiences relevant for unsubsidized employment in a particular field.

(e) A county may continue to provide subsidized employment funded under this section to individuals who become ineligible for CalWORKs benefits in accordance with Section 11323.25.

(f) Upon application for CalWORKs assistance after a participant's subsidized employment ends, if an assistance unit is otherwise eligible within three calendar months of the date that subsidized employment ended, the income exemption requirements contained in Section 11451.5 and the work requirements contained in subdivision (c) of Section 11201 shall apply. If aid is restored after the expiration of that three-month period, the income exemption requirements contained in Section 11450.12 and the work requirements contained in subdivision (b) of Section 11201 shall apply.

(g) No later than April 1, 2015, the State Department of Social Services shall submit at least the following information regarding implementation of this section to the Legislature:

(1) The number of CalWORKs recipients that entered subsidized employment.

(2) The number of CalWORKs recipients who found nonsubsidized employment after the subsidy ends.

11450. (a) (1) (A) Aid shall be paid for each needy family, which shall include all eligible brothers and sisters of each eligible applicant or recipient child and the parents of the children, but shall not include unborn children, or recipients of aid under Chapter 3 (commencing with Section 12000), qualified for aid under this chapter. In determining the amount of aid paid, and notwithstanding the minimum basic standards of adequate care specified in Section 11452, the family's income, exclusive of any amounts considered exempt as income or paid pursuant to subdivision (e) or Section 11453.1, determined for the prospective semiannual period pursuant to Sections 11265.1, 11265.2, and 11265.3, and then calculated pursuant to Section 11451.5, shall be deducted from the sum specified in the following table, as adjusted for cost-of-living increases pursuant to Section 11453 and paragraph (2). In no case shall the amount of aid paid for each month exceed the sum specified in the following table, as adjusted for cost-of-living increases pursuant to Section 11453 and paragraph (2), plus any special needs, as specified in subdivisions (c), (e), and (f):

Number of eligible needy persons in the same home	Maximum aid
1.....	\$ 326
2.....	535
3.....	663
4.....	788
5.....	899
6.....	1,010
7.....	1,109
8.....	1,209
9.....	1,306
10 or more.....	1,403

(B) If, when, and during those times that the United States government increases or decreases its contributions in assistance of needy children in this state above or below the amount paid on July 1, 1972, the amounts specified in the above table shall be increased or decreased by an amount equal to that increase or decrease by the United States government, provided that no increase or decrease shall be subject to subsequent adjustment pursuant to Section 11453.

(2) The sums specified in paragraph (1) shall not be adjusted for cost of living for the 1990–91, 1991–92, 1992–93, 1993–94, 1994–95, 1995–96, 1996–97, and 1997–98 fiscal years, and through October 31, 1998, nor shall that amount be included in the base for calculating any cost-of-living increases for any fiscal year thereafter. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.

(b) (1) When the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant child who is 18 years of age or younger at any time after verification of pregnancy, in the amount that would otherwise be paid to one person, as specified in subdivision (a), if the child and her child, if born, would have qualified for aid under this chapter. Verification of pregnancy shall be required as a condition of eligibility for aid under this subdivision.

(2) Notwithstanding paragraph (1), when the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant woman for the month in which the birth is anticipated and for the six-month period immediately prior to the month in which the birth is anticipated, in the amount that would otherwise be paid to one person, as specified in subdivision (a), if the woman and child, if born, would have qualified for aid under this chapter. Verification of pregnancy shall be required as a condition of eligibility for aid under this subdivision.

(3) Paragraph (1) shall apply only when the Cal-Learn Program is operative.

(c) The amount of forty-seven dollars (\$47) per month shall be paid to pregnant women qualified for aid under subdivision (a) or (b) to meet special needs resulting from pregnancy if the woman and child, if born, would have qualified for aid under this chapter. County welfare departments shall refer all recipients of aid under this subdivision to a local provider of the Women, Infants, and Children program. If that payment to pregnant women qualified for aid under subdivision (a) is considered income under federal law in the first five months of pregnancy, payments under this subdivision shall not apply to persons eligible under subdivision (a), except for the month in which birth is anticipated and for the three-month period immediately prior to the month in which delivery is anticipated, if the woman and child, if born, would have qualified for aid under this chapter.

(d) For children receiving AFDC-FC under this chapter, there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month that, when added to the child's income, is equal to the rate specified in Section 11460, 11461, 11462, 11462.1, or 11463. In addition, the child shall be eligible for special needs, as specified in departmental regulations.

(e) In addition to the amounts payable under subdivision (a) and Section 11453.1, a family shall be entitled to receive an allowance for recurring special needs not common to a majority of recipients. These recurring special needs shall include, but not be limited to, special diets upon the recommendation of a physician for circumstances other than pregnancy, and unusual costs of transportation, laundry, housekeeping services, telephone, and utilities. The recurring special needs allowance for each family per month shall not exceed that amount resulting from multiplying the sum of ten dollars (\$10) by the number of recipients in the family who are eligible for assistance.

(f) After a family has used all available liquid resources, both exempt and nonexempt, in excess of one hundred dollars (\$100), with the exception of funds deposited in a restricted account described in subdivision (a) of Section 11155.2, the family shall also be entitled to receive an allowance for nonrecurring special needs.

(1) An allowance for nonrecurring special needs shall be granted for replacement of clothing and household equipment and for emergency housing needs other than those needs addressed by paragraph (2). These needs shall be caused by sudden and unusual circumstances beyond the control of the needy family. The department shall establish the allowance for each of the nonrecurring special needs items. The sum of all nonrecurring special needs provided by this subdivision shall not exceed six hundred dollars (\$600) per event.

(2) (A) Homeless assistance is available to a homeless family seeking shelter when the family is eligible for aid under this chapter. Homeless assistance for temporary shelter is also available to homeless families that are apparently eligible for aid under this chapter. Apparent eligibility exists when evidence presented by the applicant, or that is otherwise available to the county welfare department, and the information provided on the

application documents indicate that there would be eligibility for aid under this chapter if the evidence and information were verified. However, an alien applicant who does not provide verification of his or her eligible alien status, or a woman with no eligible children who does not provide medical verification of pregnancy, is not apparently eligible for purposes of this section.

(B) A family is considered homeless, for the purpose of this section, when the family lacks a fixed and regular nighttime residence; or the family has a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations; or the family is residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. A family is also considered homeless for the purpose of this section if the family has received a notice to pay rent or quit. The family shall demonstrate that the eviction is the result of a verified financial hardship as a result of extraordinary circumstances beyond their control, and not other lease or rental violations, and that the family is experiencing a financial crisis that could result in homelessness if preventative assistance is not provided.

(3) (A) (i) A nonrecurring special needs benefit of sixty-five dollars (\$65) a day shall be available to families of up to four members for the costs of temporary shelter, subject to the requirements of this paragraph. The fifth and additional members of the family shall each receive fifteen dollars (\$15) per day, up to a daily maximum of one hundred twenty-five dollars (\$125). County welfare departments may increase the daily amount available for temporary shelter as necessary to secure the additional bedspace needed by the family.

(ii) This special needs benefit shall be granted or denied immediately upon the family's application for homeless assistance, and benefits shall be available for up to three working days. The county welfare department shall verify the family's homelessness within the first three working days and if the family meets the criteria of questionable homelessness established by the department, the county welfare department shall refer the family to its early fraud prevention and detection unit, if the county has such a unit, for assistance in the verification of homelessness within this period.

(iii) After homelessness has been verified, the three-day limit shall be extended for a period of time which, when added to the initial benefits provided, does not exceed a total of 16 calendar days. This extension of benefits shall be done in increments of one week and shall be based upon searching for permanent housing which shall be documented on a housing search form, good cause, or other circumstances defined by the department. Documentation of a housing search shall be required for the initial extension of benefits beyond the three-day limit and on a weekly basis thereafter as long as the family is receiving temporary shelter benefits. Good cause shall include, but is not limited to, situations in which the county welfare department has determined that the family, to the extent it is capable, has made a good faith but unsuccessful effort to secure permanent housing while receiving temporary shelter benefits.

(B) (i) A nonrecurring special needs benefit for permanent housing assistance is available to pay for last month's rent and security deposits when these payments are reasonable conditions of securing a residence, or to pay for up to two months of rent arrearages, when these payments are a reasonable condition of preventing eviction.

(ii) The last month's rent or monthly arrearage portion of the payment (I) shall not exceed 80 percent of the family's total monthly household income without the value of CalFresh benefits or special needs benefit for a family of that size and (II) shall only be made to families that have found permanent housing costing no more than 80 percent of the family's total monthly household income without the value of CalFresh benefits or special needs benefit for a family of that size.

(iii) However, if the county welfare department determines that a family intends to reside with individuals who will be sharing housing costs, the county welfare department shall, in appropriate circumstances, set aside the condition specified in subclause (II) of clause (ii).

(C) The nonrecurring special needs benefit for permanent housing assistance is also available to cover the standard costs of deposits for utilities which are necessary for the health and safety of the family.

(D) A payment for or denial of permanent housing assistance shall be issued no later than one working day from the time that a family presents evidence of the availability of permanent housing. If an applicant family provides evidence of the availability of permanent housing before the county welfare department has established eligibility for aid under this chapter, the county welfare department shall complete the eligibility determination so that the denial of or payment for permanent housing assistance is issued within one working day from the submission of evidence of the availability of permanent housing, unless the family has failed to provide all of the verification necessary to establish eligibility for aid under this chapter.

(E) (i) Except as provided in clauses (ii) and (iii), eligibility for the temporary shelter assistance and the permanent housing assistance pursuant to this paragraph shall be limited to one period of up to 16 consecutive calendar days of temporary assistance and one payment of permanent assistance. Any family that includes a parent or nonparent caretaker relative living in the home who has previously received temporary or permanent homeless assistance at any time on behalf of an eligible child shall not be eligible for further homeless assistance. Any person who applies for homeless assistance benefits shall be informed that the temporary shelter benefit of up to 16 consecutive days is available only once in a lifetime, with certain exceptions, and that a break in the consecutive use of the benefit constitutes permanent exhaustion of the temporary benefit.

(ii) A family that becomes homeless as a direct and primary result of a state or federally declared natural disaster shall be eligible for temporary and permanent homeless assistance.

(iii) A family shall be eligible for temporary and permanent homeless assistance when homelessness is a direct result of domestic violence by a spouse, partner, or roommate; physical or mental illness that is medically

verified that shall not include a diagnosis of alcoholism, drug addiction, or psychological stress; or the uninhabitability of the former residence caused by sudden and unusual circumstances beyond the control of the family including natural catastrophe, fire, or condemnation. These circumstances shall be verified by a third-party governmental or private health and human services agency, except that domestic violence may also be verified by a sworn statement by the victim, as provided under Section 11495.25. Homeless assistance payments based on these specific circumstances may not be received more often than once in any 12-month period. In addition, if the domestic violence is verified by a sworn statement by the victim, the homeless assistance payments shall be limited to two periods of not more than 16 consecutive calendar days of temporary assistance and two payments of permanent assistance. A county may require that a recipient of homeless assistance benefits who qualifies under this paragraph for a second time in a 24-month period participate in a homelessness avoidance case plan as a condition of eligibility for homeless assistance benefits. The county welfare department shall immediately inform recipients who verify domestic violence by a sworn statement of the availability of domestic violence counseling and services, and refer those recipients to services upon request.

(iv) If a county requires a recipient who verifies domestic violence by a sworn statement to participate in a homelessness avoidance case plan pursuant to clause (iii), the plan shall include the provision of domestic violence services, if appropriate.

(v) If a recipient seeking homeless assistance based on domestic violence pursuant to clause (iii) has previously received homeless avoidance services based on domestic violence, the county shall review whether services were offered to the recipient and consider what additional services would assist the recipient in leaving the domestic violence situation.

(vi) The county welfare department shall report necessary data to the department through a statewide homeless assistance payment indicator system, as requested by the department, regarding all recipients of aid under this paragraph.

(F) The county welfare departments, and all other entities participating in the costs of the CalWORKs program, have the right in their share to any refunds resulting from payment of the permanent housing. However, if an emergency requires the family to move within the 12-month period specified in subparagraph (E), the family shall be allowed to use any refunds received from its deposits to meet the costs of moving to another residence.

(G) Payments to providers for temporary shelter and permanent housing and utilities shall be made on behalf of families requesting these payments.

(H) The daily amount for the temporary shelter special needs benefit for homeless assistance may be increased if authorized by the current year's Budget Act by specifying a different daily allowance and appropriating the funds therefor.

(I) No payment shall be made pursuant to this paragraph unless the provider of housing is a commercial establishment, shelter, or person in the business of renting properties who has a history of renting properties.

(g) The department shall establish rules and regulations ensuring the uniform statewide application of this section.

(h) The department shall notify all applicants and recipients of aid through the standardized application form that these benefits are available and shall provide an opportunity for recipients to apply for the funds quickly and efficiently.

(i) (A) Except for the purposes of Section 15200, the amounts payable to recipients pursuant to Section 11453.1 shall not constitute part of the payment schedule set forth in subdivision (a).

(B) The amounts payable to recipients pursuant to Section 11453.1 shall not constitute income to recipients of aid under this section.

(j) For children receiving Kin-GAP pursuant to Article 4.5 (commencing with Section 11360) or Article 4.7 (commencing with Section 11385) there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month, which, when added to the child's income, is equal to the rate specified in Sections 11364 and 11387.

(k) (1) A county shall implement the semiannual reporting requirements in accordance with Chapter 501 of the Statutes of 2011 no later than October 1, 2013.

(2) Upon completion of the implementation described in paragraph (1), each county shall provide a certificate to the director certifying that semiannual reporting has been implemented in the county.

(3) Upon filing the certificate described in paragraph (2), a county shall comply with the semiannual reporting provisions of this section.

(l) This section shall become operative on July 1, 2015.

(m) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 16. Section 11450 is added to the Welfare and Institutions Code, to read:

11450. (a) (1) (A) Aid shall be paid for each needy family, which shall include all eligible brothers and sisters of each eligible applicant or recipient child and the parents of the children, but shall not include unborn children, or recipients of aid under Chapter 3 (commencing with Section 12000), qualified for aid under this chapter. In determining the amount of aid paid, and notwithstanding the minimum basic standards of adequate care specified in Section 11452, the family's income, exclusive of any amounts considered exempt as income or paid pursuant to subdivision (e) or Section 11453.1, determined for the prospective semiannual period pursuant to Sections 11265.1, 11265.2, and 11265.3, and then calculated pursuant to Section 11451.5, shall be deducted from the sum specified in the following table, as adjusted for cost-of-living increases pursuant to Section 11453 and paragraph (2). In no case shall the amount of aid paid for each month exceed the sum specified in the following table, as adjusted for cost-of-living increases pursuant to Section 11453 and paragraph (2), plus any special needs, as specified in subdivisions (c), (e), and (f):

Number of eligible needy persons in the same home	Maximum aid
1.....	\$ 326
2.....	535
3.....	663
4.....	788
5.....	899
6.....	1,010
7.....	1,109
8.....	1,209
9.....	1,306
10 or more.....	1,403

(B) If, when, and during those times that the United States government increases or decreases its contributions in assistance of needy children in this state above or below the amount paid on July 1, 1972, the amounts specified in the above table shall be increased or decreased by an amount equal to that increase or decrease by the United States government, provided that no increase or decrease shall be subject to subsequent adjustment pursuant to Section 11453.

(2) The sums specified in paragraph (1) shall not be adjusted for cost of living for the 1990–91, 1991–92, 1992–93, 1993–94, 1994–95, 1995–96, 1996–97, and 1997–98 fiscal years, and through October 31, 1998, nor shall that amount be included in the base for calculating any cost-of-living increases for any fiscal year thereafter. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.

(b) (1) When the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant child who is 18 years of age or younger at any time after verification of pregnancy, in the amount that would otherwise be paid to one person, as specified in subdivision (a), if the child and her child, if born, would have qualified for aid under this chapter. Verification of pregnancy shall be required as a condition of eligibility for aid under this subdivision.

(2) Notwithstanding paragraph (1), when the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant woman for the month in which the birth is anticipated and for the six-month period immediately prior to the month in which the birth is anticipated, in the amount that would otherwise be paid to one person, as specified in subdivision (a), if the woman and child, if born, would have qualified for aid under this chapter. Verification of pregnancy shall be required as a condition of eligibility for aid under this subdivision.

(3) Paragraph (1) shall apply only when the Cal-Learn Program is operative.

(c) The amount of forty-seven dollars (\$47) per month shall be paid to pregnant women qualified for aid under subdivision (a) or (b) to meet special needs resulting from pregnancy if the woman and child, if born, would have qualified for aid under this chapter. County welfare departments shall refer all recipients of aid under this subdivision to a local provider of the Women, Infants, and Children program. If that payment to pregnant women qualified for aid under subdivision (a) is considered income under federal law in the first five months of pregnancy, payments under this subdivision shall not apply to persons eligible under subdivision (a), except for the month in which birth is anticipated and for the three-month period immediately prior to the month in which delivery is anticipated, if the woman and child, if born, would have qualified for aid under this chapter.

(d) For children receiving AFDC-FC under this chapter, there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month that, when added to the child's income, is equal to the rate specified in Section 11460, 11461, 11462, 11462.1, or 11463. In addition, the child shall be eligible for special needs, as specified in departmental regulations.

(e) In addition to the amounts payable under subdivision (a) and Section 11453.1, a family shall be entitled to receive an allowance for recurring special needs not common to a majority of recipients. These recurring special needs shall include, but not be limited to, special diets upon the recommendation of a physician for circumstances other than pregnancy, and unusual costs of transportation, laundry, housekeeping services, telephone, and utilities. The recurring special needs allowance for each family per month shall not exceed that amount resulting from multiplying the sum of ten dollars (\$10) by the number of recipients in the family who are eligible for assistance.

(f) After a family has used all available liquid resources, both exempt and nonexempt, in excess of one hundred dollars (\$100), with the exception of funds deposited in a restricted account described in subdivision (a) of Section 11155.2, the family shall also be entitled to receive an allowance for nonrecurring special needs.

(1) An allowance for nonrecurring special needs shall be granted for replacement of clothing and household equipment and for emergency housing needs other than those needs addressed by paragraph (2). These needs shall be caused by sudden and unusual circumstances beyond the control of the needy family. The department shall establish the allowance for each of the nonrecurring special needs items. The sum of all nonrecurring special needs provided by this subdivision shall not exceed six hundred dollars (\$600) per event.

(2) (A) Homeless assistance is available to a homeless family seeking shelter when the family is eligible for aid under this chapter. Homeless assistance for temporary shelter is also available to homeless families that are apparently eligible for aid under this chapter. Apparent eligibility exists when evidence presented by the applicant, or that is otherwise available to the county welfare department, and the information provided on the

application documents indicate that there would be eligibility for aid under this chapter if the evidence and information were verified. However, an alien applicant who does not provide verification of his or her eligible alien status, or a woman with no eligible children who does not provide medical verification of pregnancy, is not apparently eligible for purposes of this section.

(B) A family is considered homeless, for the purpose of this section, when the family lacks a fixed and regular nighttime residence; or the family has a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations; or the family is residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. A family is also considered homeless for the purpose of this section if the family has received a notice to pay rent or quit. The family shall demonstrate that the eviction is the result of a verified financial hardship as a result of extraordinary circumstances beyond their control, and not other lease or rental violations, and that the family is experiencing a financial crisis that could result in homelessness if preventative assistance is not provided.

(3) (A) (i) A nonrecurring special needs benefit of sixty-five dollars (\$65) a day shall be available to families of up to four members for the costs of temporary shelter, subject to the requirements of this paragraph. The fifth and additional members of the family shall each receive fifteen dollars (\$15) per day, up to a daily maximum of one hundred twenty-five dollars (\$125). County welfare departments may increase the daily amount available for temporary shelter as necessary to secure the additional bedspace needed by the family.

(ii) This special needs benefit shall be granted or denied immediately upon the family's application for homeless assistance, and benefits shall be available for up to three working days. The county welfare department shall verify the family's homelessness within the first three working days and if the family meets the criteria of questionable homelessness established by the department, the county welfare department shall refer the family to its early fraud prevention and detection unit, if the county has such a unit, for assistance in the verification of homelessness within this period.

(iii) After homelessness has been verified, the three-day limit shall be extended for a period of time which, when added to the initial benefits provided, does not exceed a total of 16 calendar days. This extension of benefits shall be done in increments of one week and shall be based upon searching for permanent housing which shall be documented on a housing search form, good cause, or other circumstances defined by the department. Documentation of a housing search shall be required for the initial extension of benefits beyond the three-day limit and on a weekly basis thereafter as long as the family is receiving temporary shelter benefits. Good cause shall include, but is not limited to, situations in which the county welfare department has determined that the family, to the extent it is capable, has made a good faith but unsuccessful effort to secure permanent housing while receiving temporary shelter benefits.

(B) (i) A nonrecurring special needs benefit for permanent housing assistance is available to pay for last month's rent and security deposits when these payments are reasonable conditions of securing a residence, or to pay for up to two months of rent arrearages, when these payments are a reasonable condition of preventing eviction.

(ii) The last month's rent or monthly arrearage portion of the payment (I) shall not exceed 80 percent of the family's total monthly household income without the value of CalFresh benefits or special needs benefit for a family of that size and (II) shall only be made to families that have found permanent housing costing no more than 80 percent of the family's total monthly household income without the value of CalFresh benefits or special needs benefit for a family of that size.

(iii) However, if the county welfare department determines that a family intends to reside with individuals who will be sharing housing costs, the county welfare department shall, in appropriate circumstances, set aside the condition specified in subclause (II) of clause (ii).

(C) The nonrecurring special needs benefit for permanent housing assistance is also available to cover the standard costs of deposits for utilities which are necessary for the health and safety of the family.

(D) A payment for or denial of permanent housing assistance shall be issued no later than one working day from the time that a family presents evidence of the availability of permanent housing. If an applicant family provides evidence of the availability of permanent housing before the county welfare department has established eligibility for aid under this chapter, the county welfare department shall complete the eligibility determination so that the denial of or payment for permanent housing assistance is issued within one working day from the submission of evidence of the availability of permanent housing, unless the family has failed to provide all of the verification necessary to establish eligibility for aid under this chapter.

(E) (i) Except as provided in clauses (ii) and (iii), eligibility for the temporary shelter assistance and the permanent housing assistance pursuant to this paragraph shall be limited to one period of up to 16 consecutive calendar days of temporary assistance and one payment of permanent assistance every 12 months. A person who applies for homeless assistance benefits shall be informed that the temporary shelter benefit of up to 16 consecutive days is available only once every 12 months, with certain exceptions, and that a break in the consecutive use of the benefit constitutes exhaustion of the temporary benefit for that 12-month period.

(ii) A family that becomes homeless as a direct and primary result of a state or federally declared natural disaster shall be eligible for temporary and permanent homeless assistance.

(iii) A family shall be eligible for temporary and permanent homeless assistance when homelessness is a direct result of domestic violence by a spouse, partner, or roommate; physical or mental illness that is medically verified that shall not include a diagnosis of alcoholism, drug addiction, or psychological stress; or, the uninhabitability of the former residence caused by sudden and unusual circumstances beyond the control of the family

including natural catastrophe, fire, or condemnation. These circumstances shall be verified by a third-party governmental or private health and human services agency, except that domestic violence may also be verified by a sworn statement by the victim, as provided under Section 11495.25. Homeless assistance payments based on these specific circumstances may not be received more often than once in any 12-month period. In addition, if the domestic violence is verified by a sworn statement by the victim, the homeless assistance payments shall be limited to two periods of not more than 16 consecutive calendar days of temporary assistance and two payments of permanent assistance. A county may require that a recipient of homeless assistance benefits who qualifies under this paragraph for a second time in a 24-month period participate in a homelessness avoidance case plan as a condition of eligibility for homeless assistance benefits. The county welfare department shall immediately inform recipients who verify domestic violence by a sworn statement of the availability of domestic violence counseling and services, and refer those recipients to services upon request.

(iv) If a county requires a recipient who verifies domestic violence by a sworn statement to participate in a homelessness avoidance case plan pursuant to clause (iii), the plan shall include the provision of domestic violence services, if appropriate.

(v) If a recipient seeking homeless assistance based on domestic violence pursuant to clause (iii) has previously received homeless avoidance services based on domestic violence, the county shall review whether services were offered to the recipient and consider what additional services would assist the recipient in leaving the domestic violence situation.

(vi) The county welfare department shall report necessary data to the department through a statewide homeless assistance payment indicator system, as requested by the department, regarding all recipients of aid under this paragraph.

(F) The county welfare departments, and all other entities participating in the costs of the CalWORKs program, have the right in their share to any refunds resulting from payment of the permanent housing. However, if an emergency requires the family to move within the 12-month period specified in subparagraph (E), the family shall be allowed to use any refunds received from its deposits to meet the costs of moving to another residence.

(G) Payments to providers for temporary shelter and permanent housing and utilities shall be made on behalf of families requesting these payments.

(H) The daily amount for the temporary shelter special needs benefit for homeless assistance may be increased if authorized by the current year's Budget Act by specifying a different daily allowance and appropriating the funds therefor.

(I) No payment shall be made pursuant to this paragraph unless the provider of housing is a commercial establishment, shelter, or person in the business of renting properties who has a history of renting properties.

(g) The department shall establish rules and regulations ensuring the uniform statewide application of this section.

(h) The department shall notify all applicants and recipients of aid through the standardized application form that these benefits are available and shall provide an opportunity for recipients to apply for the funds quickly and efficiently.

(i) (A) Except for the purposes of Section 15200, the amounts payable to recipients pursuant to Section 11453.1 shall not constitute part of the payment schedule set forth in subdivision (a).

(B) The amounts payable to recipients pursuant to Section 11453.1 shall not constitute income to recipients of aid under this section.

(j) For children receiving Kin-GAP pursuant to Article 4.5 (commencing with Section 11360) or Article 4.7 (commencing with Section 11385) there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month, which, when added to the child's income, is equal to the rate specified in Sections 11364 and 11387.

(k) (1) A county shall implement the semiannual reporting requirements in accordance with Chapter 501 of the Statutes of 2011 no later than October 1, 2013.

(2) Upon completion of the implementation described in paragraph (1), each county shall provide a certificate to the director certifying that semiannual reporting has been implemented in the county.

(3) Upon filing the certificate described in paragraph (2), a county shall comply with the semiannual reporting provisions of this section.

(l) This section shall become operative on January 1, 2017.

SEC. 17. Section 11450.025 of the Welfare and Institutions Code is amended to read:

11450.025. (a) (1) Notwithstanding any other law, effective on March 1, 2014, the maximum aid payments in effect on July 1, 2012, as specified in subdivision (b) of Section 11450.02, shall be increased by 5 percent.

(2) Effective April 1, 2015, the maximum aid payments in effect on July 1, 2014, as specified in paragraph (1), shall be increased by 5 percent.

(3) Effective October 1, 2016, the maximum aid payments in effect on July 1, 2016, as specified in paragraph (2), shall be increased by 1.43 percent.

(4) (A) Effective January 1, 2017, households eligible for aid under this chapter shall receive an increased aid payment consistent with the repeal of former Section 11450.04, as it read on January 1, 2016, known as the "maximum family grant rule."

(B) In recognition of the increased cost of aid payments resulting from that repeal, moneys deposited into the Child Poverty and Family Supplemental Support Subaccount shall be allocated to counties pursuant to Section 17601.50 as follows:

(i) One hundred seven million forty-seven thousand dollars (\$107,047,000) for January 1, 2017, to June 30, 2017, inclusive.

(ii) Two hundred twenty-three million four hundred fifty-four thousand dollars (\$223,454,000) for the 2017–18 fiscal year and for every fiscal year thereafter.

(b) Commencing in 2014 and annually thereafter, on or before January 10 and on or before May 14, the Director of Finance shall do all of the following:

(1) Estimate the amount of growth revenues pursuant to subdivision (f) of Section 17606.10 that will be deposited in the Child Poverty and Family Supplemental Support Subaccount of the Local Revenue Fund for the current fiscal year and the following fiscal year and the amounts in the subaccount carried over from prior fiscal years.

(2) For the current fiscal year and the following fiscal year, determine the total cost of providing the increases described in subdivision (a), as well as any other increase in the maximum aid payments subsequently provided only under this section, after adjusting for updated projections of CalWORKs costs associated with caseload changes, as reflected in the local assistance subvention estimates prepared by the State Department of Social Services and released with the annual Governor's Budget and subsequent May Revision update.

(3) If the amount estimated in paragraph (1) plus the amount projected to be deposited for the current fiscal year into the Child Poverty and Family Supplemental Support Subaccount pursuant to subparagraph (3) of subdivision (e) of Section 17600.15 is greater than the amount determined in paragraph (2), the difference shall be used to calculate the percentage increase to the CalWORKs maximum aid payment standards that could be fully funded on an ongoing basis beginning the following fiscal year.

(4) If the amount estimated in paragraph (1) plus the amount projected to be deposited for the current fiscal year into the Child Poverty and Family Supplemental Support Subaccount pursuant to subparagraph (3) of subdivision (e) of Section 17600.15 is equal to or less than the amount determined in paragraph (2), no additional increase to the CalWORKs maximum aid payment standards shall be provided in the following fiscal year in accordance with this section.

(5) (A) Commencing with the 2014–15 fiscal year and for all fiscal years thereafter, if changes to the estimated amounts determined in paragraphs (1) or (2), or both, as of the May Revision, are enacted as part of the final budget, the Director of Finance shall repeat, using the same methodology used in the May Revision, the calculations described in paragraphs (3) and (4) using the revenue projections and grant costs assumed in the enacted budget.

(B) If a calculation is required pursuant to subparagraph (A), the Department of Finance shall report the result of this calculation to the appropriate policy and fiscal committees of the Legislature upon enactment of the Budget Act.

(c) An increase in maximum aid payments calculated pursuant to paragraph (3) of subdivision (b), or pursuant to paragraph (5) of subdivision (b) if applicable, shall become effective on October 1 of the following fiscal year.

(d) (1) An increase in maximum aid payments provided in accordance with this section shall be funded with growth revenues from the Child

Poverty and Family Supplemental Support Subaccount in accordance with paragraph (3) of subdivision (e) of Section 17600.15 and subdivision (f) of Section 17606.10, to the extent funds are available in that subaccount.

(2) If funds received by the Child Poverty and Family Supplemental Support Subaccount in a particular fiscal year are insufficient to fully fund any increases to maximum aid payments made pursuant to this section, the remaining cost for that fiscal year will be addressed through existing provisional authority included in the annual Budget Act. Additional increases to the maximum aid payments shall not be provided until and unless the ongoing cumulative costs of all prior increases provided pursuant to this section are fully funded by the Child Poverty and Family Supplemental Support Subaccount.

(e) Notwithstanding Section 15200, counties shall not be required to contribute a share of the costs to cover the increases to maximum aid payments made pursuant to this section.

SEC. 18. Section 11450.04 of the Welfare and Institutions Code is amended to read:

11450.04. (a) For purposes of determining the maximum aid payment specified in subdivision (a) of Section 11450 and for no other purpose, the number of needy persons in the same family shall not be increased for any child born into a family that has received aid under this chapter continuously for the 10 months prior to the birth of the child. For purposes of this section, aid shall be considered continuous unless the family does not receive aid during two consecutive months. This subdivision shall not apply to applicants for, or recipients of, aid unless notification is provided pursuant to this section.

(b) This section shall not apply with respect to any of the following children:

(1) Any child who was conceived as a result of an act of rape, as defined in Sections 261 and 262 of the Penal Code, if the rape was reported to a law enforcement agency, medical or mental health professional or social services agency prior to, or within three months after, the birth of the child.

(2) Any child who was conceived as a result of an incestuous relationship if the relationship was reported to a medical or mental health professional or a law enforcement agency or social services agency prior to, or within three months after, the birth of the child, or if paternity has been established.

(3) Any child who was conceived as a result of contraceptive failure if the parent was using an intrauterine device, a Norplant, or the sterilization of either parent.

(c) This section shall not apply to any child born on or before November 1, 1995.

(d) (1) This section shall not apply to any child to whom it would otherwise apply if the family has not received aid for 24 consecutive months while the child was living with the family.

(2) This section shall not apply to any child conceived when either parent was a nonneedy caretaker relative.

(3) This section shall not apply to any child who is no longer living in the same home with either parent.

(e) One hundred percent of any child support payment received for a child born into the family, but for whom the maximum aid payment is not increased pursuant to this section, shall be paid to the assistance unit. Any such child support payment shall not be considered as income to the family for the purpose of calculating the amount of aid for which the family is eligible under this article.

(f) Commencing January 1, 1995, each county welfare department shall notify applicants for assistance under this chapter, in writing, of the provisions of this section. The notification shall also be provided to recipients of aid under this chapter, in writing, at the time of recertification, or sooner. The notification required by this section shall set forth the provisions of this section and shall state explicitly the impact these provisions would have on the future aid to the assistance unit. This section shall not apply to any recipient's child earlier than 12 months after the mailing of an informational notice as required by this subdivision.

(g) (1) The department shall seek all appropriate federal waivers for the implementation of this section.

(2) The department shall implement this section commencing on the date the Director of Social Services executes a declaration, that shall be retained by the director, stating that the administrative actions required by paragraph (1) as a condition of implementation of this section have been taken by the United States Secretary of Health and Human Services.

(h) Subdivisions (a) to (g), inclusive, shall become operative on January 1, 1995.

(i) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 19. Section 11461.3 of the Welfare and Institutions Code is amended to read:

11461.3. (a) The Approved Relative Caregiver Funding Option Program is hereby established for the purpose of making the amount paid to approved relative caregivers for the in-home care of children placed with them who are ineligible for AFDC-FC payments equal to the amount paid on behalf of children who are eligible for AFDC-FC payments. This is an optional program for counties choosing to participate, and in so doing, participating counties agree to the terms of this section as a condition of their participation. It is the intent of the Legislature that the funding described in paragraph (1) of subdivision (g) for the Approved Relative Caregiver Funding Option Program be appropriated, and available for use from January through December of each year, unless otherwise specified.

(b) Subject to subdivision (e), effective January 1, 2015, participating counties shall pay an approved relative caregiver a per child per month rate in return for the care and supervision, as defined in subdivision (b) of Section 11460, of a child that is placed with the relative caregiver that is equal to

the basic rate paid to foster care providers pursuant to subdivision (g) of Section 11461, if both of the following conditions are met:

(1) The county with payment responsibility has notified the department in writing by October 1 of the year before participation begins of its decision to participate in the Approved Relative Caregiver Funding Option Program.

(2) The related child placed in the home meets all of the following requirements:

(A) The child resides in California.

(B) The child is described by subdivision (b), (c), or (e) of Section 11401 and the county welfare department or the county probation department is responsible for the placement and care of the child.

(C) The child is not eligible for AFDC-FC while placed with the approved relative caregiver because the child is not eligible for federal financial participation in the AFDC-FC payment.

(c) Any income or benefits received by an eligible child or the approved relative caregiver on behalf of the eligible child that would be offset against the basic rate paid to a foster care provider pursuant to subdivision (g) of Section 11461, shall be offset from any funds that are not CalWORKs funds paid to the approved relative caregiver pursuant to this section.

(d) Participating counties shall recoup an overpayment in the Approved Relative Caregiver Funding Option Program received by an approved relative caregiver using the standards and processes for overpayment recoupment that are applicable to overpayments to an approved home of a relative, as specified in Section 11466.24. Recouped overpayments shall not be subject to remittance to the federal government. Any overpaid funds that are collected by the participating counties shall be remitted to the state after subtracting both of the following:

(1) An amount not to exceed the county share of the CalWORKs portion of the Approved Relative Caregiver Funding Option Program payment, if any.

(2) Any other county funds that were included in the Approved Relative Caregiver Funding Option Program payment.

(e) A county's election to participate in the Approved Relative Caregiver Funding Option Program shall affirmatively indicate that the county understands and agrees to all of the following conditions:

(1) Commencing October 1, 2014, the county shall notify the department in writing of its decision to participate in the Approved Relative Caregiver Funding Option Program. Failure to make timely notification, without good cause as determined by the department, shall preclude the county from participating in the program for the upcoming calendar year. Annually thereafter, any county not already participating who elects to do so shall notify the department in writing no later than October 1 of its decision to participate for the upcoming calendar year.

(2) The county shall confirm that it will make per child per month payments to all approved relative caregivers on behalf of eligible children in the amount specified in subdivision (b) for the duration of the participation of the county in this program.

(3) The county shall confirm that it will be solely responsible to pay any additional costs needed to make all payments pursuant to subdivision (b) if the state and federal funds allocated to the Approved Relative Caregiver Funding Option Program pursuant to paragraph (1) of subdivision (g) are insufficient to make all eligible payments.

(f) (1) A county deciding to opt out of the Approved Relative Caregiver Funding Option Program shall provide at least 120 days' prior written notice of that decision to the department. Additionally, the county shall provide at least 90 days' prior written notice to the approved relative caregiver or caregivers informing them that his or her per child per month payment will be reduced and the date that the reduction will occur.

(2) The department shall presume that all counties have opted out of the Approved Relative Caregiver Funding Option Program if the funding appropriated for the current 12-month period is reduced below the amount specified in subparagraph (B), subparagraph (C), or subparagraph (D) of paragraph (2) of subdivision (g) for that 12-month period, unless a county notifies the department in writing of its intent to opt in within 60 days of enactment of the State Budget. The counties shall provide at least 90 days' prior written notice to the approved relative caregiver or caregivers informing them that his or her per child per month payment will be reduced, and the date that reduction will occur.

(3) Any reduction in payments received by an approved relative caregiver on behalf of a child under this section that results from a decision by a county, including the presumed opt-out pursuant to paragraph (2), to not participate in the Approved Relative Caregiver Funding Option Program shall be exempt from state hearing jurisdiction under Section 10950.

(g) (1) The following funding shall be used for the Approved Relative Caregiver Funding Option Program:

(A) The applicable regional per-child CalWORKs grant, in accordance with subdivision (a) of Section 11253.4.

(B) General Fund resources, as appropriated in paragraph (2).

(C) County funds only to the extent required under paragraph (3) of subdivision (e).

(D) Funding described in subparagraphs (A) and (B) is intended to fully fund the base caseload of approved relative caregivers, which is defined as the number of approved relative caregivers caring for a child who is not eligible to receive AFDC-FC payments, as of July 1, 2014.

(2) The following amount is hereby appropriated from the General Fund as follows:

(A) The sum of fifteen million dollars (\$15,000,000), for the period of January 1, 2015, to June 30, 2015, inclusive.

(B) For the period of July 1, 2015, to June 30, 2016, inclusive, there shall be appropriated an amount equal to the sum of all of the following:

(i) Two times the amount appropriated pursuant to subparagraph (A), inclusive of any increase pursuant to paragraph (3).

(ii) The amount necessary to increase or decrease the CalWORKs funding associated with the base caseload described in subparagraph (D) of paragraph

(1) to reflect any change from the prior fiscal year in the applicable regional per-child CalWORKs grant described in subparagraph (A) of paragraph (1).

(iii) The additional amount necessary to fully fund the base caseload described in subparagraph (D) of paragraph (1), reflective of the annual California Necessities Index increase to the basic rate paid to foster care providers.

(C) For every 12-month period thereafter, commencing with the period of July 1, 2016, to June 30, 2017, inclusive, the sum of all of the following shall be appropriated for purposes of this section:

(i) The total General Fund amount provided pursuant to this paragraph for the previous 12-month period.

(ii) The amount necessary to increase or decrease the CalWORKs funding associated with the base caseload described in subparagraph (D) of paragraph (1) to reflect any change from the prior fiscal year in the applicable regional per-child CalWORKs grant described in subparagraph (A) of paragraph (1).

(iii) The additional amount necessary to fully fund the base caseload described in subparagraph (D) of paragraph (1), reflective of the annual California Necessities Index increase to the basic rate paid to foster care providers.

(D) Notwithstanding clauses (ii) and (iii) of subparagraph (B) and clauses (ii) and (iii) of subparagraph (C), the total General Fund appropriation made pursuant to subparagraph (B) shall not be less than the greater of the following amounts:

(i) Thirty million dollars (\$30,000,000).

(ii) Two times the amount appropriated pursuant to subparagraph (A), inclusive of any increase pursuant to paragraph (3).

(3) To the extent that the appropriation made by subparagraph (A) of paragraph (2) is insufficient to fully fund the base caseload of approved relative caregivers as of July 1, 2014, as described in subparagraph (D) of paragraph (1), for the period of January 1, 2015, to June 30, 2015, inclusive, as jointly determined by the department and the County Welfare Directors' Association and approved by the Department of Finance on or before October 1, 2015, the amount specified in subparagraph (A) of paragraph (2) shall be increased by the amount necessary to fully fund that base caseload.

(4) Funds available pursuant to paragraph (2) shall be allocated to participating counties proportionate to the number of their approved relative caregiver placements, using a methodology and timing developed by the department, following consultation with county human services agencies and their representatives.

(5) Notwithstanding subdivision (e), if in any calendar year the entire amount of funding appropriated by the state for the Approved Relative Caregiver Funding Option Program has not been fully allocated to or utilized by participating counties, a participating county that has paid any funds pursuant to subparagraph (C) of paragraph (1) of subdivision (g) may request reimbursement for those funds from the department. The authority of the department to approve the requests shall be limited by the amount of available unallocated funds.

(h) An approved relative caregiver receiving payments on behalf of a child pursuant to this section shall not be eligible to receive additional CalWORKs payments on behalf of the same child under Section 11450.

(i) To the extent permitted by federal law, payments received by the approved relative caregiver from the Approved Relative Caregiver Funding Option Program shall not be considered income for the purpose of determining other public benefits.

(j) Prior to referral of any individual or recipient, or that person's case, to the local child support agency for child support services pursuant to Section 17415 of the Family Code, the county human services agency shall determine if an applicant or recipient has good cause for noncooperation, as set forth in Section 11477.04. If the applicant or recipient claims good cause exception at any subsequent time to the county human services agency or the local child support agency, the local child support agency shall suspend child support services until the county social services agency determines the good cause claim, as set forth in Section 11477.04. If good cause is determined to exist, the local child support agency shall suspend child support services until the applicant or recipient requests their resumption, and shall take other measures that are necessary to protect the applicant or recipient and the children. If the applicant or recipient is the parent of the child for whom aid is sought and the parent is found to have not cooperated without good cause as provided in Section 11477.04, the applicant's or recipient's family grant shall be reduced by 25 percent for the time the failure to cooperate lasts.

(k) Consistent with Section 17552 of the Family Code, if aid is paid under this chapter on behalf of a child who is under the jurisdiction of the juvenile court and whose parent or guardian is receiving reunification services, the county human services agency shall determine, prior to referral of the case to the local child support agency for child support services, whether the referral is in the best interest of the child, taking into account both of the following:

(1) Whether the payment of support by the parent will pose a barrier to the proposed reunification in that the payment of support will compromise the parent's ability to meet the requirements of the parent's reunification plan.

(2) Whether the payment of support by the parent will pose a barrier to the proposed reunification in that the payment of support will compromise the parent's current or future ability to meet the financial needs of the child.

(l) Effective January 1, 2017, if a relative has been approved as a resource family pursuant to Section 16519.5, the approved relative shall be paid an amount equal to the resource family basic rate at the child's assessed level of care as set forth in subdivision (g) of Section 11461 and Section 11463.

SEC. 20. Section 11461.4 is added to the Welfare and Institutions Code, to read:

11461.4. (a) Notwithstanding any other law, a tribe that has entered into an agreement pursuant to Section 10553.1 may, subject to the provisions

of this section, elect to participate in the Tribal Approved Relative Caregiver Funding Option Program.

(b) (1) In return for the care and supervision of a child placed with an approved relative caregiver, a participating tribe shall pay the approved relative caregiver a per child per month rate that, when added to the tribal Temporary Aid to Needy Families (tribal TANF) benefit received by the approved relative caregiver on behalf of the child, shall equal the basic rate paid to a foster care provider pursuant to subdivision (g) of Section 11461.

(2) Payments made pursuant to paragraph (1) shall be made only if all of the following conditions exist:

(A) The tribe has notified the department in writing of its decision to participate in the program, consistent with subdivision (c).

(B) The child has been removed from the parent or guardian and has been placed into the placement and care responsibility of the tribal child welfare agency pursuant to a voluntary placement agreement or by the tribal court, consistent with the tribe's Title IV-E agreement.

(C) The child resides within California.

(D) The caregiver is receiving tribal TANF payments, or an application for tribal TANF has been made, on behalf of the child.

(E) The child is not eligible for AFDC-FC while placed with the approved relative caregiver because the child is not eligible for federal financial participation in the AFDC-FC payment.

(3) Any income or benefits received by an eligible child, or by the approved relative caregiver on behalf of an eligible child, which would be offset against a payment made to a foster care provider, shall be offset from the amount paid by the tribe under the program. This paragraph shall not apply to any tribal TANF payments received on behalf of an eligible child.

(4) An approved relative caregiver receiving payments on behalf of a child pursuant to this section shall not be eligible to receive CalWORKs payments on behalf of the same child under Section 11450.

(5) To the extent permitted by federal law, payments received by the approved relative caregiver from the program shall not be considered income for the purpose of determining other public benefits.

(c) (1) (A) A tribe electing to participate in the program in the 2016–17 fiscal year shall notify the department on or before October 1, 2016, that it intends to begin participation. Failure to make timely notification, without good cause as determined by the department, shall preclude the tribe from participating in the program for the 2016–17 fiscal year.

(B) In any fiscal year after the 2016–17 fiscal year, a tribe electing to participate in the program shall notify the department on or before January 1 that it intends to begin participation on or after the following July 1. Failure to make timely notification, without good cause as determined by the department, shall preclude the tribe from participating in the program for the upcoming fiscal year.

(2) As a condition of opting into the program, the tribe shall do all of the following:

(A) Provide to the department the tribal TANF maximum aid payment (MAP) rate in effect at the time that the tribe elects to participate in the program, consistent with the tribe's approved tribal TANF plan.

(B) Provide data necessary, as determined by the department in consultation with the tribe, to determine the base caseload for the tribe as of July 1, 2016, consistent with subdivision (d).

(C) Agree to recoup overpayments to an approved relative caregiver utilizing the standards for determining whether an overpayment is recoupable, and the processes for overpayment recoupment, that are applicable to overpayments as described in the tribe's Title IV-E agreement entered into pursuant to Section 10553.1.

(D) Agree that the tribe shall be solely responsible for any additional costs incurred in making payments under this section in the event that the funds allocated to a tribe from the appropriation made by the Legislature for the tribe's participation in the program are not sufficient to fully fund all payments specified in paragraph (1) of subdivision (b).

(E) Agree to make child support referrals for program cases, consistent with processes applied by the tribe to Title IV-E program cases.

(3) The participating tribe shall provide the information specified in subparagraphs (A) and (B) of paragraph (2) at least 60 days prior to the date the tribe will begin participating in the program.

(d) (1) In consultation with the participating tribe, the department shall determine the initial base caseload of the participating tribe, using the most recent available data provided by the tribe.

(2) The department shall determine the amount necessary to fund the base caseload of the participating tribe. The allocation methodology shall consider the tribal TANF rate of the participating tribe in effect on July 1, 2016.

(e) (1) A tribe electing to opt out of the program shall provide at least 120 days' prior written notice of that election to the department and at least 90 days' prior written notice to all approved relative caregivers to whom the tribe is making payments under the program. The notice to caregivers shall specify the date on which the per child per month payment will be reduced and the date the tribe's participation in the program will cease.

(2) If the Legislature, for any given fiscal year, appropriates an amount less than that specified in paragraph (2) of subdivision (f), the department shall presume that all participating tribes have opted out of the program for that fiscal year unless a tribe notifies the department in writing of its intent to opt in within 60 days of the enactment of the annual Budget Act. A tribe that does not elect to continue participating in the program shall provide the notice to caregivers specified in paragraph (1).

(3) A tribe that has opted out of the program for any reason may resume participating in the program on July 1 of any year, upon providing the department with written notice on or before the preceding March 1 of its intent to resume participation.

(f) (1) (A) The following funding shall be used for the program:

(i) The tribe's applicable per-child tribal TANF grant at the MAP rate in effect on July 1, 2016.

(ii) General Fund resources, as specified in paragraph (2).

(iii) Tribal funds only to the extent required under subparagraph (D) of paragraph (2) of subdivision (c).

(B) Funding described in clauses (i) and (ii) of subparagraph (A) is intended to fully fund the base caseload of approved relative caregivers, which is defined as the number of approved relative caregivers caring for a child who is not eligible to receive AFDC-FC payments as of July 1, 2016.

(2) The following amounts are hereby appropriated from the General Fund:

(A) For the 2016–17 fiscal year, the sum sufficient to fund the initial base caseload, as determined in subdivision (d), for tribes eligible for participation as of July 1, 2016.

(B) For the 2017–18 fiscal year, and every fiscal year thereafter, the sum of the following:

(i) The total General Fund amount appropriated for the purposes of this section for the previous fiscal year.

(ii) The additional amount necessary to fully fund the base caseload described in subparagraph (B) of paragraph (1), reflective of the annual California Necessities Index increase to the basic rate paid to foster care providers pursuant to subdivision (g) of Section 11461.

(3) Funds specified in paragraph (2) shall be allocated to participating tribes proportionate to their number of approved relative caregiver placements, using a methodology and timing developed by the department, following consultation with participating tribes.

(4) Notwithstanding subdivision (c), if in any fiscal year the entire amount of funding appropriated by the Legislature for the program has not been fully allocated to, or utilized by, participating tribes, a participating tribe that has paid any funds pursuant to subparagraph (D) of paragraph (2) of subdivision (c) may request reimbursement for those funds from the department. The authority of the department to approve the requests shall be limited by the amount of available unallocated funds.

(g) If more than two eligible tribes elect to participate in the program and, as a result, the appropriation made pursuant to subdivision (f) is insufficient to fully fund the base caseload of approved relative caregivers, as jointly determined by the department and the participating tribes and approved by the Department of Finance, the amount specified in subdivision (f) shall be increased by the amount necessary to fully fund that base caseload.

This reduction shall become effective 12 months after the implementation of the reduction set forth in Section 12301.01. The reduction required by this section shall not preclude any reassessment to which a recipient would otherwise be entitled. However, hours authorized pursuant to a reassessment shall be subject to the 7-percent reduction required by this section.

(2) A request for reassessment based only on the reduction required in paragraph (1) may be administratively denied by the county.

SEC. 25. Section 15200.15 of the Welfare and Institutions Code is repealed.

SEC. 26. Section 16501.9 is added to the Welfare and Institutions Code, to read:

16501.9. (a) (1) The Legislature hereby finds and declares the Child Welfare Services-New System (CWS-NS) is the most important system in the state for child welfare services staff to ensure the safety and well-being of California's children. The State of California has embarked upon an agile procurement of the CWS-NS.

(2) The Legislature further finds and declares that this approach requires significant engagement with the end user throughout the life of the system, including the county human services agencies and child welfare services and probation staff.

(b) (1) The State Department of Social Services and the Office of Systems Integration (OSI), in collaboration with the County Welfare Directors Association (CWDA), shall seek resources to enable the necessary level of engagement by the counties in the CWS-NS agile development and maintenance process to prevent the disruption of services to families and children at risk. This shall include, but not be limited to, timely and

expeditious execution of contracts and contract amendments for participation in this effort, effective monitoring and evaluation of the CWS-NS effort, and implementation of mitigation strategies for risks and issues arising in the procurement, development, implementation, or operation of digital services pursuant to this section.

(2) The department and OSI shall provide a voting seat on all governance bodies of the CWS-NS for a CWDA representative and shall support and provide necessary accommodation for the stationing of county representatives at the project site.

(3) The department and OSI shall continue to provide monthly updates to the Legislature and to stakeholders, including CWDA, regarding efforts to develop and implement the CWS-NS. The updates shall include, but not be limited to, (A) the vacancy rate, the duration of each vacant position and its classification, and the status of efforts to fill the position, (B) challenges with recruiting and retaining qualified staff and a description of efforts to resolve the issues, (C) challenges with procurement, including any delays, and a description of efforts to resolve the issues, (D) any issues or risks, including, but not limited to, pending state and federal approvals and impacts on county child welfare programs that may jeopardize the project's completion or result in delays relative to the approved project schedule, budget, and scope, and (E) progress on the project, by digital service (module) along with a description of each digital service, and projected completion dates for any significant upcoming project milestones. Following the effective date of this section, a list of newly executed contracts, their purpose, and amounts shall be added to the monthly update.

(4) The department and OSI, in coordination with CWDA and the Department of Technology, shall convene a regularly scheduled quarterly forum to provide project updates to stakeholders and legislative staff. These forums shall include updates on (A) the progress of the CWS-NS development and implementation, (B) expenditures incurred to date, (C) significant issues and risks overcome in the last quarter and significant issues and risks presently being addressed, (D) upcoming project milestones and significant events, (E) how the agile approach has affected the project's overall cost and schedule, (F) how the Department of Technology's approval and oversight processes are being applied to the agile implementation approach, and (G) how lessons learned from the agile implementation of the CWS-NS project can be leveraged by other state IT projects.

(c) The existing Child Welfare Services Case Management System (CWS/CMS) operations and functionality shall be maintained at a level at least commensurate with its December 2015 status and shall not be decommissioned prior to the full statewide implementation of the CWS-NS in all counties. Full statewide implementation is defined as after all existing CWS/CMS functionality has been replaced in CWS-NS and has been implemented in all 58 counties for a minimum of six months with no significant (noncosmetic) defects outstanding.

SEC. 27. Section 16519.5 of the Welfare and Institutions Code is amended to read:

16519.5. (a) The State Department of Social Services, in consultation with county child welfare agencies, foster parent associations, and other interested community parties, shall implement a unified, family friendly, and child-centered resource family approval process to replace the existing multiple processes for licensing foster family homes, approving relatives and nonrelative extended family members as foster care providers, and approving adoptive families.

(b) (1) Counties shall be selected to participate on a voluntary basis as early implementation counties for the purpose of participating in the initial development of the approval process. Early implementation counties shall be selected according to criteria developed by the department in consultation with the County Welfare Directors Association. In selecting the five early implementation counties, the department shall promote diversity among the participating counties in terms of size and geographic location.

(2) Additional counties may participate in the early implementation of the program upon authorization by the department.

(c) (1) For the purposes of this chapter, “resource family” means an individual or couple that a participating county or foster family agency, as defined in subdivision (g) of Section 11400 of this code, and paragraph (4) of subdivision (a) of Section 1502 of the Health and Safety Code, determines to have successfully met both the home environment assessment standards and the permanency assessment criteria adopted pursuant to subdivision (d) necessary for providing care for a related or unrelated child who is under the jurisdiction of the juvenile court, or otherwise in the care of a county child welfare agency or probation department. A resource family shall demonstrate all of the following:

(A) An understanding of the safety, permanence, and well-being needs of children who have been victims of child abuse and neglect, and the capacity and willingness to meet those needs, including the need for protection, and the willingness to make use of support resources offered by the agency, or a support structure in place, or both.

(B) An understanding of children’s needs and development, effective parenting skills or knowledge about parenting, and the capacity to act as a reasonable, prudent parent in day-to-day decisionmaking.

(C) An understanding of his or her role as a resource family and the capacity to work cooperatively with the agency and other service providers in implementing the child’s case plan.

(D) The financial ability within the household to ensure the stability and financial security of the family.

(E) An ability and willingness to provide a family setting that promotes normal childhood experiences that serves the needs of the child.

(2) Subsequent to meeting the criteria set forth in this subdivision and designation as a resource family, a resource family shall be considered eligible to provide foster care for related and unrelated children in out-of-home placement, shall be considered approved for adoption or guardianship, and shall not have to undergo any additional approval or licensure as long as the family lives in a county participating in the program.

(3) Resource family approval means that the applicant successfully meets the home environment assessment and permanency assessment standards. This approval is in lieu of the existing foster care license, relative or nonrelative extended family member approval, and the adoption home study approval.

(4) Approval of a resource family does not guarantee an initial or continued placement of a child with a resource family.

(5) Notwithstanding paragraphs (1) to (4), inclusive, the department or county may cease any further review of an application if the applicant has had a previous application denial within the preceding year, or if the applicant has had a previous rescission, revocation, or exemption denial or rescission by the department or county within the preceding two years. However, the department or county may continue to review an application if it has determined that the reasons for the previous denial, rescission, or revocation were due to circumstances and conditions that either have been corrected or are no longer in existence. If an individual was excluded from a resource family home or facility licensed by the department, the department or county shall cease review of the individual's application unless the excluded individual has been reinstated pursuant to Section 11522 of the Government Code. The cessation of review shall not constitute a denial of the application for purposes of this section or any other law.

(d) Prior to implementation of this program, the department shall adopt standards pertaining to the home environment and permanency assessments of a resource family.

(1) Resource family home environment assessment standards shall include, but not be limited to, all of the following:

(A) (i) Criminal records clearance of all adults residing in, or regularly present in, the home, and not exempted from fingerprinting, as set forth in subdivision (b) of Section 1522 of the Health and Safety Code, pursuant to Section 8712 of the Family Code, utilizing a check of the Child Abuse Central Index (CACI), and receipt of a fingerprint-based state and federal criminal offender record information search response. The criminal history information shall include subsequent notifications pursuant to Section 11105.2 of the Penal Code.

(ii) Consideration of any substantiated allegations of child abuse or neglect against either the applicant or any other adult residing in the home. An approval may not be granted to applicants whose criminal record indicates a conviction for any of the offenses specified in subdivision (g) of Section 1522 of the Health and Safety Code.

(iii) If the resource family parent, applicant, or any other person specified in subdivision (b) of Section 1522 of the Health and Safety Code has been convicted of a crime other than a minor traffic violation, except for the civil penalty language, the criminal background check provisions specified in subdivisions (d) through (f) of Section 1522 of the Health and Safety Code shall apply. Exemptions from the criminal records clearance requirements set forth in this section may be granted by the director or the early implementation county, if that county has been granted permission by the

director to issue criminal records exemptions pursuant to Section 361.4, using the exemption criteria currently used for foster care licensing as specified in subdivision (g) of Section 1522 of the Health and Safety Code.

(iv) For public foster family agencies approving resource families, the criminal records clearance process set forth in clause (i) shall be utilized.

(v) For private foster family agencies approving resource families, the criminal records clearance process set forth in clause (i) shall be utilized, but the Department of Justice shall disseminate a fitness determination resulting from the federal criminal offender record information search.

(B) Buildings and grounds and storage requirements set forth in Sections 89387 and 89387.2 of Title 22 of the California Code of Regulations.

(C) In addition to the foregoing requirements, the resource family home environment assessment standards shall also require the following:

(i) That the applicant demonstrates an understanding about the rights of children in care and his or her responsibility to safeguard those rights.

(ii) That the total number of children residing in the home of a resource family shall be no more than the total number of children the resource family can properly care for, regardless of status, and shall not exceed six children, unless exceptional circumstances that are documented in the foster child's case file exist to permit a resource family to care for more children, including, but not limited to, the need to place siblings together.

(iii) That the applicant understands his or her responsibilities with respect to acting as a reasonable and prudent parent, and maintaining the least restrictive environment that serves the needs of the child.

(2) The resource family permanency assessment standards shall include, but not be limited to, all of the following:

(A) The applicant shall complete caregiver training.

(B) (i) The applicant shall complete a psychosocial assessment, which shall include the results of a risk assessment.

(ii) A caregiver risk assessment shall include, but shall not be limited to, physical and mental health, alcohol and other substance use and abuse, family and domestic violence, and the factors listed in subparagraphs (A) and (D) of paragraph (1) of subdivision (c).

(C) The applicant shall complete any other activities that relate to a resource family's ability to achieve permanency with the child.

(e) (1) A child may be placed with a resource family that has successfully completed the home environment assessment prior to completion of a permanency assessment only if a compelling reason for the placement exists based on the needs of the child.

(2) The permanency assessment shall be completed within 90 days of the child's placement in the home, unless good cause exists based upon the needs of the child.

(3) If additional time is needed to complete the permanency assessment, the county shall document the extenuating circumstances for the delay and generate a timeframe for the completion of the permanency assessment.

(4) The county shall report to the department on a quarterly basis the number of families with a child in an approved home whose permanency assessment goes beyond 90 days and summarize the reasons for these delays.

(5) A child may be placed with a relative, as defined in Section 319, or nonrelative extended family member, as defined in Section 362.7, prior to applying as a resource family only on an emergency basis if all of the following requirements are met:

(A) Consideration of the results of a criminal records check conducted pursuant to Section 16504.5 of the relative or nonrelative extended family member and of every other adult in the home.

(B) Consideration of the results of the Child Abuse Central Index (CACI) consistent with Section 1522.1 of the Health and Safety Code of the relative or nonrelative extended family member, and of every other adult in the home.

(C) The home and grounds are free of conditions that pose undue risk to the health and safety of the child.

(D) For any placement made pursuant to this paragraph, the county shall initiate the home environment assessment no later than five business days after the placement, which shall include a face-to-face interview with the resource family applicant and child.

(E) For any placement made pursuant to this paragraph, AFDC-FC funding shall not be available until approval of the resource family has been completed.

(F) Any child placed under this section shall be afforded all the rights set forth in Section 16001.9.

(f) The State Department of Social Services shall be responsible for all of the following:

(1) Selecting early implementation counties, based on criteria established by the department in consultation with the County Welfare Directors Association.

(8) Ongoing oversight and monitoring of county systems and operations including all of the following:

(A) Reviewing the county's implementation of the program.

(B) Reviewing an adequate number of approved resource families in each participating county to ensure that approval standards are being properly applied. The review shall include case file documentation, and may include onsite inspection of individual resource families. The review shall occur on an annual basis, and more frequently if the department becomes aware that a participating county is experiencing a disproportionate number of complaints against individual resource family homes.

(C) Reviewing county reports of serious complaints and incidents involving approved resource families, as determined necessary by the department. The department may conduct an independent review of the complaint or incident and change the findings depending on the results of its investigation.

(D) Investigating unresolved complaints against participating counties.

(E) Requiring corrective action of counties that are not in full compliance with the terms and conditions of the program.

(9) Updating the Legislature on the early implementation phase of the program, including the status of implementation, successes, and challenges during the early implementation phase, and relevant available data, including resource family satisfaction.

(B) Providing a resource family parent, applicant, or excluded individual requesting review of that decision with due process pursuant to the department's statutes, regulations, and written directives.

(C) Notifying the department of any decisions denying a resource family's application or rescinding the approval of a resource family, excluding an individual, or taking other administrative action.

(A) The child's social worker shall not conduct the formal investigation into the complaint received concerning a family providing services under the standards required by subdivision (d). To the extent that adequate resources are available, complaints shall be investigated by a worker who did not initially conduct the home environment or psychosocial assessments.

(B) Upon conclusion of the complaint investigation, the final disposition shall be reviewed and approved by a supervising staff member.

(C) The department shall be notified of any serious incidents or serious complaints or any incident that falls within the definition of Section 11165.5

(B) For foster family home licensees and approved relatives or nonrelative extended family members who have a pending resource family application on December 31, 2019, the foster family home license or relative and nonrelative extended family member approval shall be forfeited by operation of law on the date of approval as a resource family. If approval is denied, forfeiture by operation of law shall occur on the date of completion of any proceedings required by law to ensure due process.

(t) On and after January 1, 2017, all licensed foster family agencies shall approve resource families in lieu of certifying foster homes. A foster family agency or a short-term residential treatment center pursuant to subdivision (b) of Section 11462 shall require applicants and resource families to meet the resource family approval standards and requirements set forth in this chapter and in the written directives adopted pursuant to this chapter prior to approval and in order to maintain approval.

(u) Commencing January 1, 2016, the department may establish participation conditions, and select and authorize foster family agencies that voluntarily submit implementation plans and revised plans of operation in accordance with requirements established by the department, to approve resource families in lieu of certifying foster homes.

(1) Notwithstanding any other law, a participating foster family agency shall require resource families to meet and maintain the resource family approval standards and requirements set forth in this chapter and in the written directives adopted hereto prior to approval and in order to maintain approval.

(2) A participating foster family agency shall implement the resource family approval program pursuant to Section 1517 of the Health and Safety Code.

(3) Nothing in this section shall be construed to limit the authority of the department to inspect, evaluate, or investigate a complaint or incident, or initiate a disciplinary action against a foster family agency pursuant to Article 5 (commencing with Section 1550) of Chapter 3 of Division 2 of the Health and Safety Code, or to take any action it may deem necessary for the health and safety of children placed with the foster family agency.
